

Empathy and Empowerment with ShamanWeaver, Shiela Baker

Event: Boeing Employees Parapsychology Club (BEPC) Monthly Meeting
Date: Monday, February 20, 2017

Greetings Friends and Light Workers!

Mark your calendars for another phenomenal speaker! We are honored and excited to have Shiela Baker with us sharing – ***Empathy and Empowerment***

Empaths feel deeply – and everything! Sometimes we don't know that we're highly sensitive. We grow used to staying out of crowds, finding ways to manoeuvre through life being mostly invisible, avoiding eye contact and conversations. Sometimes we develop headaches or anxiety or depression that keeps us down.

If you want more out of your life come learn how to know which feelings are yours. Discover a guide who is with you day and night, who helps you stand strong and not be banged around by outside influences. Powerfully put up and reinforce boundaries that allow you to be in the world and be happy.

Ancient Shamanic tools are available to you! They are easily learned and you can walk away tonight with a powerful personal guide who has your best interest in mind for your health and wellbeing. Aho
