Do you feel that there are blocks to you achieving the life you want? Are you ready to make changes the help you achieve your dreams? Darlene and Rochelle, licensed Heal Your Life Workshop Leaders, will be presenting the philosophy of Louise Hay. You will learn to identify negative beliefs that are limiting them. Learn transformational techniques to release limitations and go beyond them. Participants will learn that loving themselves is the foundation for making positive changes. While it is easy to say, it is not often easy to do! Using affirmations and visualizations and other techniques, they will experience transformation as they heal the past and allow barriers to dissolve. Every area of life can be improved: relationships, health, career, and prosperity.
