

Tuning into Your Purpose in Tumultuous Times

Sunny McMillan

Event: BEPC Monthly Meeting
Date: Monday July 17, 2017

Greetings Friends and Light Workers!

Mark your calendars for another phenomenal speaker! We are honored and excited to have **Sunny Joy McMillan** sharing *Tuning into Your Purpose in Tumultuous Times* with us.

Tuning into Your Purpose in Tumultuous Times

We are all on earth for a reason, and the map to our calling and right life lives inside of us. These callings and purposes we have are unique to each and every one of us. They do not need to be grandiose or impressive by culture's standards. They will, however, be incredibly fulfilling to the deepest parts of us. Sometimes, however, it's difficult to hear and heed the call to our greatest purpose when we live in a fear-based and disempowering culture. If you're ready to ditch the fear and tune into your purpose, join us for an experiential evening full of tools and inspiration designed to connect you back to who you really are – a fearless, powerful, awesome, inspired, loving, passionate spiritual being who came here with a purpose!
