VIOLET FLAME MINI-WORKSHOP

Working with the ASCENDED MASTERS to activate higher frequencies of your soul vibration!

Increase your ability to receive and transmit the highest expressions of love and light!

The Violet Flame is an ancient tool of alchemy to help you experience greater frequencies of your essential soul vibration in your daily life. It transmutes lower vibrations into higher to increase your spiritual service. We shall work with the Ascended Masters such as St. Germaine and Archangels associated with the Violet Flame and planetary energies of summer. A major shift is beginning this year with revolutionary Uranus moving into Taurus. Join us to learn how to work with these energies to gain maximum benefit in the coming seven years. Use this sacred energy to transform yourself and your environment, to heal and enhance spiritual service. More information on the Violet Flame, 7 Rays and Ascended Masters is available at www.astromark.us or email mark@astromark.us and request the 7 Ray General Info document.
