

How to Use Stone Energies Grace Star

Event: BEPC Monthly Meeting

Date: Monday October 16, 2017

Greetings Friends and Light Workers!

Mark your calendars for another phenomenal speaker! We are honored and excited to have **Grace Star** sharing ***How to Use Stone Energies*** with us.

Who doesn't have a stone around the house or in a pocket or purse that they just plain like?

Stones are friends. They can talk to you. They have stories to tell. They can be bossy. They can accelerate your personal growth. They can give you comfort when you are upset, motivate you to achieve your goals, lift you to higher understandings about life and the people around you, and, they are healing tools.

So how do you join this bright world of help and wonder? Grace Star will explain what stone energies are, and give some simple methods to begin to sense and connect with stones. She will touch a little on science and its difference from psychic perceptions, and how you can move away from logic you have been taught to use, and begin to perceive new information in non-traditional ways.

In the metaphysical world, stones have been described as a "lower" form of consciousness (they *are* molecular energy, just like you). In lieu of this description, Grace will introduce you to their elemental understandings of what is important, and what is not and the messages they can share with you.

Grace is a psychic reader who uses the energy of stones and the Earth to bring you information about your spirit self—why you came here and what will give you more happiness and gratification in your everyday life. You are a glorious being, and it's always a pleasure to tell you why.

At local psychic fairs Grace sells rocks and wrapped stone jewelry that she makes.

She also sells stone slab hangings, which have a very room quieting and meditative quality, and the stones are so fascinating. She also has two comedian skulls, the green Grace the healer (a guy), and his sidekick Jasper, who are always sneaking into photos.

Please see her former website JewelsOfAscension.com. She also runs the [Blue Moon Spirit Psychic Fair](#) on the first Sunday of the month in Edmonds, WA.

The general meeting starts at 5:30 PM and at 6:00 PM the presentation starts. BEPC monthly meetings are open to anyone and are on the 3rd Monday of the month. No cost to club members and \$5 for guests and anyone can become a member.
