Opening to the Akasha - An Experiential Evening with Debbie Ritter

The Akashic Records have been referenced for millennia. The Akasha - a powerful spiritual space for growth and guidance - is available to us all.

Debbie Ritter will help you understand what the Records are, their history and how they can be used. Participants will be guided to access their own Records and discover for themselves the support, acceptance and wisdom the Akasha provides.

Psychic Medium - Akashic Record Readings

Debbie Ritter is a spiritual practitioner who uses her intuitive abilities to help others on their journey. She is a reader of the Akashic Records and is a Certified Advanced Practitioner and Teacher using Linda Howe's Pathway Prayer Process®. She is also a Tarot reader, a certified intuitive coach, and psychic medium. A lifelong seeker, Debbie brings her background in Yoga, A Course in Miracles, Buddhism and Shamanism to all of her work, and believes that each reading is an opportunity for healing, encouragement and a new perspective.

Debbie moved to Sequim in 2012. Before that she lived in the New York City area, where she trained intensively in developing her intuitive skills. She also practiced law, which has added a practical and down-to-earth influence on her current work.
